RUSSIAN VESSELS.

Battleship Czarevitch and Three Torpedo Boat Destroyers in Hands of Germany.

THE CZAR'S FLAG HAULED DOWN.

It is Very Likely That These Warships Will Not Fight Again During This War.

Cruiser Askold Is in Dock and a Torpedo Boat Destroyer Is Being Dismantled—Pallada and Diana Reached Vladivostok.

Tsingtau, Aug. 16.—The Russian battleship Czarovitch and three-torpedo boat destroyers are now in the hands of the local German government for repairs, but it is improbable that these vessels will fight again in this war.

Capt. Truphel, chief of the military and civil administration of the protectorate of Kiauchau, after having completed provisions for the neutrality of the crews of the Russian warships during their stay here, proceeded to go on board the Czarovitch. The crew of the battleship was alarmed at the advent of Capt. Truphel's party and seized their weapons. They were quickly quieted, however, and the commander of the Czarovitch was informed that it was necessary that the Russian flag be hauled down and remain down pending the completion of the repairs. The Czarovitch's flag was then lowered, amid impressive formalities, after which Capt. Truphel visited each of the three destroyers, whose flags also were lowered.

It is thought here that if the Russians persist in repairing their ships they will eventually have to dismantle them because of the vastly superior force of the Japanese, which is waiting for them outside the harbor. According to the regulations which govern situations such as the one existing here the destroyers will not be permitted to leave in a body, but must go out at intervals of six hours.

It is believed here that the Russian cruisers Pallada and Diana have reached Vladivostok.

London, Aug. 16.—A dispatch to Lloyds from Shanghai says that the cruiser Askold has gone into dock and a torpedo boat destroyer, the Grozovoi, is being dismantled.

St. Petersburg, Aug. 16.—The expectation here is that Port Arthur will fall at any moment. Especial significance is attached to the fact that Lieut. Gen. Stoessel's wife and children went to Che Foo on board the torpedo boat destroyer Ryeshitelni.

Tokio, Aug. 16.—Adm. Togo reports that a vessel of the type of the protected cruiser Pallada was torpedoed and sunk in the engagement of August 10.

Nagasaki, Aug. 16.—Six hundred survivors of the crew of the Russian cruiser Rurik, which was sunk by Adm. Kamamura off Utsunomiya, Korea, Sunday morning, have arrived at Sasebo.

The Japanese hospital ship Saiko has also arrived at Sasebo with 75 Japanese wounded, including Imperial Prince Hiroyasu Kwacko, who was slightly wounded in the naval engagement off Round Island.

THE BAGOBOS.

Those Held in Quarantine in St. Louis Have Been Released.

St. Louis, Aug. 16.—The Bagobos, from the Island of Mindanao, Philippine Islands, who have been held in quarantine since their arrival in St. Louis, arrived at the World's fair grounds Monday and are now at work on their village in the Philippines section. In some ways they are the most primitive as well as the fiercest of the island races. The Bagobos are rapidly becoming extinct, there being but about 5,000 of them now alive.

Cruiser Chicago in Commission.
Boston, Aug. 16.—The United States cruiser Chicago was placed in commission Monday at the Charlestown navy yard in the presence of about 2,000 grand army men and visitors. Commander Edwin K. Moore will command the vessel.

The Report Contradicted.
Washington, Aug. 16.—Mail reports received at the state department from T. C. Dawson, the new minister at San Domingo, strongly contradict rumors that a number of Porto Ricans had been executed by order of Gen. Morales.

No Invitation to Kings, Princes, Etc.
Washington, Aug. 16.—Careful inquiry at the state department develops the fact that no invitation has passed through that department to any king, prince or potentate to attend the World's fair at St. Louis.

SECRETARY OF WAR TAFT.

He May Recommend West Point, Ky., As An Army Post.

Louisville, Ky., Aug. 16.—Among the distinguished visitors in Louisville Monday night was Judge W. H. Taft, secretary of war, who is the guest of Judge John W. Barr. He is en route to Washington, and stopped in Louisville to spend a few hours with Judge Barr, with whom he was associated on the federal bench in this district for 30 years. An effort was made by Logan C. Murray to induce Judge Taft to remain in Louisville Tuesday to view the Pythian parade, but he declined to accept urging that he is now overdue in Washington. Mr. Murray broached the subject of West Point, Ky., as an army post, and Judge Taft said:

"I have already recommended to congress the purchase of four sites, and we need four more. I will recommend these at no distant day, and West Point will probably be one of them."

Judge Taft left for Washington on Tuesday morning.

LOST A TOE.

E. G. Bronson Sues the C. & O. Railroad Co. For Damages.

Newport, Ky., Aug. 16.—Courts of equity have at various times been asked to place valuations on many strange things, but the Kenton county circuit court has been called on to determine the value of a great toe.

E. G. Bronson filed suit in that court Monday against the Chesapeake & Railroad Co. for \$2,000 damages.

He alleges that on November 28, 1903, he was standing on the platform at Dayton, Ky., when a freight train passed by.

A hard substance projecting from one of the cars struck him, he alleges, and threw him down in such a manner that the great toe of the right foot was severed by the wheels and his ankle thrown out of joint.

POLICE HAD TO INTERFERE.

Mothers Beat Them at the Request of the Judge.

Frankfort, Ky., Aug. 16.—Joe Smith, aged 15, and Mary Richey, aged 10, the Negro children who attempted to rob the house of Mrs. Orlando Brown last week, confessed their guilt in police court Monday afternoon. Judge Herndon told their mothers he would let the children off if they would whip them well before leaving the courtroom. The mothers beat them so severely that the police requested them to stop.

Horses Killed By Lightning.

Lexington, Ky., Aug. 16.—It was made known Monday that during a severe thunder storm which passed over this county Sunday two valuable yearlings were killed at Elmendorf stud, the property of J. B. Haggin. One was a bay filly by Kinley Mack, dam Stonelli, and the other a bay colt by Bassettlaw, dam Bohemia. The lightning caused a stampede and the youngsters were killed in the rush.

ANOTHER EFFORT.

Mayor Harrison Will Attempt to Bring Peace Between the Packers and Strikers.

BOTH SIDES WILL MEET HIM.

A Large Committee of the Retail Dealers Asked the Mayor to Use His Good Offices.

There Were a Number of Conferences Monday Having in View the Settlement of the Strike, But Resulted in Nothing.

Chicago, Aug. 16.—Mayor Harrison will attempt to settle the stockyards strike. He will meet the representatives of the strike and hear their side of the controversy. Later he will have a meeting with representatives of the packers and listen to their statement, and he will then undertake the task of reconciling the differences.

A large committee of the retail dealers called upon him Monday afternoon and asked him to use his good offices in ending the strike. The mayor said that he would gladly do all that lay in his power to put an end to the trouble, and a meeting between him and the labor leaders was at once arranged for.

The mayor then set about arranging a meeting with the packers and they promptly sent him word that they would meet him, but they were unable to agree upon an hour for the conference for the reason that the mayor could not tell how long his session with the labor leaders would continue. He will meet the packers, however, soon after the meeting with the men is over.

There were a number of conferences during Monday, all having the settlement of their strike in view, but none of them resulted in anything.

It is asserted that the alleged secret meeting between the packers and the strikers was arranged for by W. E. Skinner, assistant general manager of the Union Stockyards and Transit Co. It is said that he went to President Donnelly, of the butchers' union, with a written proposition providing that the packers reinstate their old men as rapidly as possible and that the question of wages should be left to arbitration. It is said that he told Donnelly that if he would sign the proposition, Mr. Skinner would undertake to see that it was signed by J. Ogden Armour. Donnelly said that he could not sign, as he was compelled to submit all propositions of settlement to the Allied Trades before he could take action. He agreed to do this and the representatives of the Allied Trades accepted the proposition with the insertion of the clause, "if all details can be satisfactorily arranged."

This proposition, it is said, was taken by Mr. Skinner to Mr. Armour, and it was suggested by the latter that it be shown to the other packers. The matter went no further than this.

STRIKERS' MOTION OVERRULED.

They Are Restricted From Picketing the Zeigler Coal Co.'s Mines.

Springfield, Ill., Aug. 16.—Judge Humphrey, in the federal court, Monday evening overruled the motion of the striking miners and officers of miners' unions to dissolve the temporary injunction which he had issued restricting the strikers or officers of miners' unions from picketing the Zeigler Coal Co.'s property, or in any manner interfering with the operation of the mine.

THE "HALL MARK."

England Prohibits Having It Placed on American Made Silver Plate.

Washington, Aug. 16.—The treasury Monday issued the following statement: American silver plate manufacturers have been in the habit of sending their wares to England for the purpose of having the "Hall Mark" of England placed upon them, with a view, as is stated, of deceiving American purchasers into believing the goods to be of English manufacture, and importers of such goods have been enabled to get their goods back free of duty, although thus marked, because, under paragraph 13, of the tariff act, this marking is not considered as an improvement in condition of advancement in value and as the provisions of Sections 8 and 11 of said act regarding marking are not applicable to reimported domestic goods, England not being the country of origin of the goods.

The secretary of the treasury is now informed by the secretary of state that an act has been passed by the British parliament preventing the use of the English "Hall Marks" on American silverware in England.

A DEAD MAN.

He Is Charged With Having Misapplied \$125,000.

Chicago, Aug. 16.—A bill in which a dead man is charged with having misapplied \$125,000 of the funds of an estate was filed Monday in the United States circuit court. The court action was brought by Anna Odell, of DuBuque, Ia., and John and Samuel Odell, of Shelby, Mich., and is directed against Chicago heirs of the late John R. Wilson. Samuel W. Odell died in Muskegon, Mich., in 1883, and left an estate valued at \$171,000. John R. Wilson was appointed executor and trustee of the estate. The heirs of Mr. Odell declare that Wilson converted a large portion of the estate to his own general use. John B. Wilson died at his Lake Geneva home in April, 1903.

CONGRESSMAN HITT.

His Illness Is Taking a Turn That Is Causing Anxiety.

Bar Harbor, Me., Aug. 16.—The illness of Congressman Robert R. Hitt, of Illinois, which began prior to the national republican convention in Chicago, and who has occupied a cottage here, has recently taken a turn that is causing anxiety. Drs. Frank Hyatt and William Gerry Morgan, of Washington, who were summoned here to consult with Dr. Horace Stokes, announced Monday night that Mr. Hitt had improved much from a recent relapse and that his condition was not now considered critical, although considerable anxiety is felt. Congressman Hitt's illness is due to a general break down.

PROPOSED NEW HOSTLERY.

It Will Be Run Solely For Rich Widows and Spinsters.

New York, Aug. 16.—Carl Fisher Hansen, a wealthy young man, has decided to start on the fashionable west side of the city an apartment hotel that will eclipse the Martha Washington idea. It is to be exclusively for sedate widows and maids with money to spend, so that none others will get into this exclusive hostelry. Mr. Hansen has hired as censor the widow of former United States Senator Gibson, of Maryland. It will be her duty to see all prospective tenants and question them closely, so that no married woman may get in.

The Man Lit a Match, Burned the Wound and Saved His Life.

Stroudsburg, Pa., Aug. 16.—William Van Buskirk, of East Stroudsburg, was fishing in Broadhead creek Monday when he trod upon a rattlesnake, which bit him in the calf of the leg. Taking out his knife, he cut a deep incision where the snake had struck and then applied a match to the wound. Then he hurried to a drug store and secured alcohol and bathed the wound. There was a little swelling, but the prompt treatment removed the poison and saved his life.

THE EX-PRISONERS

Col. Walker, of Pittsburg, Was Elected Commander-in-Chief by the Association.

KISSAIN, CINCINNATI, JUNIOR VICE

Question of Whether Ex-Prisoners Would Sooner Have a Medal of Honor or a Pension.

Motion Passed to Petition Congress to Pass a Bill Providing That An Ex-Prisoner Be Paid \$2 For Each Day in Prison.

Boston, Aug. 16.—The camp fire of the National Association of Union Ex-Prisoners of War was held in Tremont Temple Monday night in connection with the 32d annual encampment of the association.

Col. J. D. Walker, of Pittsburg, Pa., national commander of the association, opened the evening's exercises in a brief address, and introduced Capt. John A. Read, U. S. N., who presided. Capt. Read recounted some of his experiences during an eight months' confinement in a confederate prison and he declared that the men who died miserably in military prisons were as heroic and did as glorious a work for their country as did those who charged the enemy in battle.

Gov. John L. Bates followed. "The union prisoner of war," he said, "was not kept prisoner in vain, for he helped to save his country and make a reunited land, so that to-day the blue and the gray sit down in old Faneuil hall and break bread together."

"As I saw you marching through our streets to-day, bearing the banners inscribed with the names of those prisons in which you suffered so miserably; when I saw you, the remaining few of the many thousands, I said, 'There is the true lesson in patriotism.'"

"To-night I welcome you to Massachusetts as men who have fought a good fight and men who have kept the faith."

Col. Dana King, of New Hampshire, was the last speaker. His remarks were of a reminiscent nature. The camp fire closed with the singing of "America."

Much time was taken up with a discussion as to whether the ex-prisoners would rather have a medal of honor or a pension from the United States. A motion asking the United States to issue a special medal of honor to all those veterans who had been in rebel prisons was lost, and it was almost unanimously voted to petition the next congress to pass a bill providing that every prisoner of war be paid two dollars for each day he was in prison.

Late Monday afternoon the association held a business meeting and elected the following officers:

Commander-in-chief, Col. J. B. Walker, Pittsburg, Pa.; senior vice commander, John Kissain, Cincinnati; junior vice commander, John L. Parker, Lynn, Mass.; chaplain, Rev. J. C. Ferguson, Keokuk, Ia.

THE PYTHIAN KNIGHTS.

Formal Opening of Their Biennial Conclave at Louisville, Ky.

Louisville, Ky., Aug. 16.—A simple ceremony—the formal transfer of Camp Marion E. Taylor from the local executive committee, which has placed it in readiness, to the Knights of Pythias, for whom it was prepared—marked the formal opening of this organization's biennial conclave of 1904. The exercises occurred at 4 o'clock in the presence of about 10,000 people. Marion E. Taylor, chairman of the executive committee on arrangements, formally presented the tented city which bears his name to Tracy R. Bangs, supreme chancellor of the Knights, who turned the camp over to Gen. James R. Carnahan, of Indianapolis, commanding the uniform rank, the general speaking briefly in acknowledgment. The adjutant general's flag was then thrown to the breeze and the salute fired by Battery A, of Wheeling, W. Va. Monday night the electric decorations in the business district were set ablaze to the delight of the thousands which thronged the streets.

THE Boston Herald, independent, is in the main greatly pleased with Judge Parker's speech of acceptance, which its character is as "calm and judicial in an eminent degree."

THE Philadelphia Record thinks Judge Gray speaks the sentiment of hundreds of thousands of conservative, constitution-loving and God-fearing citizens when he declares that the more he hears of Judge Parker's character and capabilities the better suited he is with his selection as the Democratic candidate for the Presidency.

THE New York World has made a canvass among the leading newspapers of the country in an endeavor to find how many of them have changed in their political

belief for the coming campaign. It has been discovered that fifty-four papers which supported McKinley in 1900 will this year throw their strength to Parker. Journals to the number of twenty-five that were strong Bryan organs have switched to the Roosevelt banner. Five papers that represented McKinley in the last Presidential campaign have signified their intention of remaining neutral, while the Democrats lose one organ for the same reason. This is a straw showing that the draft is strongly in favor of Parker.

LYNCHING TALKED OF.

Jailer Thompson of Robertson County Killed by a Worthless Negro Early This Morning.

Excitement is running high at Mt. Olivet to-day over the murder of Jailer Geo. W. Thompson early this morning by Dobyns Maybrier, a worthless negro character. Maybrier was arrested and it is thought he will be lynched. The particulars of the killing were not learned.

THE TOBACCO MARKET.

Firmness Characterized Breaks at Louisville—Reports From Growing Crop.

LOUISVILLE, KY.—Firmness has been the chief characteristic of the tobacco market. Certain grades of burley show advances, as for instance scoured trash, which is fully $\frac{1}{16}$ higher, while common lugs of this character are $\frac{1}{16}$ higher, with medium lugs showing a rise of $\frac{1}{16}$ and good lugs up $\frac{1}{16}$. Low grade oolory trash is quoted $\frac{1}{16}$ higher.

In dark tobacco there has been a fair business, with no net change in prices. Taking the market as a whole it appears to be on the up grade, despite the fact that it has to contend at present with mid-summer dullness.

Recent rains have greatly improved the outlook for the growing crops of burley and dark tobacco, as they were fairly general over the State. They have been most bountiful in the burley section, with good rainfall reported at Lexington, Maysville, Mt. Sterling and Richmond. The outlook is satisfactory, but trade authorities are disagreed as to the size of the crop, many contending that the burley production will not be as large as anticipated.

J. H. Hale, the big Georgia peach grower, is reported to have cleared between \$100,000 and \$200,000 on his crop this year.

River News.

The Ben Hur will run in the Madison trade during the low water season.

Over 5,000,000 bushels of coal is now stranded in the Pittsburgh harbor waiting for water to float it down the Ohio river. Most of the empties are tied up along the lower river near Cincinnati and Louisville. Few of the river mines are being operated.

All members of the Young Ladies Sodality are requested to meet at their hall on Wednesday morning at 8:30 to attend the funeral of Nora Breslin.

A SAMPLE JOB

We ask you to please examine the square piano in our show window.

This is a sample of our Mr. PAUL GERMAN'S work.

The entire case, both inside and out, has been refinished, action adjusted, keys and hammers refelted, strung with new wires, etc. In fact it is now a new piano, evolved by Mr. Germann from a miserable old instrument.

We are proud of his work and ask you to examine this job.

Mr. Paul Germann will remain with our exhibit at John L. Winter's store, and we trust you will give us your work. All work guaranteed.

WE GIVE GLOBE STAMPS.

THAT SALE OF OURS

There is as much difference in a sale as there is in a SAIL.
The American SAIL is a good deal swifter than the English SAIL as Sir Thomas Lipton has so often found out.
Merz Bros. sale is different from other sales. A good deal swifter too. Saturday was an August record-breaking day for the BEE HIVE.
We must break the record every other day in August.
Here is how we are going to do it:
A CLASH IN CRASH 5c. worth 8½c.
Another lot of those 25c Ties for 15c. Don't ask two for 25. All colors too.
Is 17c cheap for Mennen's Talcum Powder?
LONGCLOTH AT A SHORT PRICE, \$1 25 a bolt. Its our special No. 2000.
SAY "ROYAL" to the shirt waist girl. If we have your size take your pick for 98c.
The men know how to appreciate those 50c Sox for 25c.
Why not buy a Woolen Dress now and save 20 per cent?
A few of those 75c Gloves for 25c are still left. You will be all right if you get a pair yet.
Why don't you buy one of those 98c Skirts?

MR. WILL JOHNSON,

A Former Resident of Maysville, Died Monday Morning at Los Angeles.

Mr. Will Johnson, whose illness at Los Angeles was mentioned a few days ago, died Monday morning at 4:15 o'clock at his home in that city. A telegram during the forenoon brought the sad news to his relatives.

Mr. Johnson was the second living son of Mrs. James Johnson of West Fourth street, and was thirty-five years of age. His early life was spent in Maysville, but he had been a resident of Los Angeles for a year. His wife, who was Miss Alice Higginbotham, survives him, with one daughter. His death was due to heart disease, the end coming peacefully after an illness of two months.

His relatives have received no word as to the funeral arrangements.

IT'S FOOLISH

To Ignore Such Convincing Proof as This Maysville Citizen Gives You Here.

You may differ from your neighbors in many important questions of the day. Your opinions may coincide with those of the minority or of those of the majority and still you may be in doubt. But you can hardly be skeptical about the merit of Doan's Kidney Pills when you read such emphatic local endorsement as the following:

Mrs. J. B. Gibson of 113 West Fourth street says: "The value of Doan's Kidney Pills is quickly made manifest by their use. I obtained them at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, and although my experience was not extensive, it was because their curative powers were so quickly demonstrated that extended use was unnecessary. The quick relief from backache which was obtained from the use of Doan's Kidney Pills caused me to recommend this valuable medicine whenever opportunity offers."

For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name DOAN'S and take no substitute.

Painless extraction of teeth at Dr. Cartmell's.

Mr. Oscar Wilson, oldest son of Mrs. B. R. Wilson of Aberdeen, died Monday in a Cincinnati Hospital, of appendicitis. He leaves a wife and three children. Mr. Wilson had been a resident of Cincinnati several years.

A report is current that Rev. Fr. A. T. Ennis, a former beloved pastor of St. Patrick's Church, died Monday at Nashville, but it has not been confirmed. It probably grew out of the fact that Father Ennis was in a critical condition at last accounts, having undergone an operation for appendicitis. The chances are against his recovery.

BREATHE HEALING BALSAMS.

Hyomei's Novel Way of Curing Catarrh—J. J. Wood & Son Guarantee a Cure.

This novel treatment for catarrh consists of a hard rubber inhaler of a size convenient to be carried in the vest pocket or purse, a medicine dropper and a bottle of Hyomei. By its use it is possible to breathe while at home or at work, air which is almost identical with that of the mountains or health resorts where the air is laden with healing and health-giving balsams.

No other medicine gives such prompt relief as Hyomei in the treatment of catarrh. The first breath soothes and heals the irritated and smarting air passages, and its regular use for a few days or weeks will cure the most stubborn cases.

J. J. Wood & Son will sell a Hyomei outfit for \$1 with their personal guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei, for your word decides the question as to whether you pay for the remedy or not.
